SHOW ENTRY DEADLINE: TUESDAY, OCTOBER 20, 2020

Dear Alpaca Breeders and Vendors,

Welcome to the 16th annual Buckeye Alpaca Show! As our industry continues to evolve, the Buckeye Alpaca Show has become much more of an “Event” featuring the prominent breeders from the Eastern US, our largest vendors of alpaca garments and accessories, and extensive corporate sponsors which have led to highly successful fundraising for programs at OSU, College of Veterinary Medicine.

We were extremely disappointed to cancel our Spring 2020 show due to COVID-19 and decided to make our Buckeye Fall Fest a “Double” show. Entries will be limited to approximately 325 alpacas and the exhibitor meeting has been moved to Friday Evening following our Meet & Greet and Mexican Buffet.

We will be jazzing it up on Saturday night with fun Exhibition classes with substantial cash purse! Be sure to bring some \$10.00 bills to the Meet & Greet! You will want to get in on the fun at hand!

Our Live Auction on Saturday night will feature the opportunity to purchase items that you need on your farm, tools of the trade, nutritional supplies for your alpacas, the latest in fashion for you and your home, and the opportunity to breed to highly sought after herd sires. The fundraising efforts at this year’s show will support the Buckeye Large Animal Veterinary Scholarship Fund at Ohio State University, College of Veterinary Medicine. To date our Fall show fundraising programs have raised \$35,000 for scholarships for 3rd and 4th year large animal veterinary students.

Please visit the **Buckeye Alpaca Show** registration site to reserve your sponsorships, stalls, display spaces, vendor spaces, motor home hook-ups, Saturday dinner tickets and animal registrations for **Buckeye** Halter Classes, Bred & Owned, Group Production, Youth Performance, and Walking Fleece. The **Buckeye Alpaca Fall Fest** registration site will only include animal registrations for **Fall Fest** Halter Classes, Novice Halter Classes and Bred & Owned.

The Summit County Fairgrounds and Arena Complex have implemented sanitation procedures and signage to comply fully with the State and County Health policies. Hand sanitizing stations, social distancing, mask requirements and facility occupancy will follow the ordinances then in effect.

The shows will make every effort to provide our exhibitors and vendors a safe environment to support our weekend of competition, camaraderie, and FUN!

We are immensely grateful for your continuing support of the Buckeye Alpaca Shows and our industry and look forward to seeing you this November!

Mary Reed
Event Manager and Trustee,
Buckeye Alpaca Show, Inc.

WALKING FLEECE

What is a Walking Fleece Competition?

The AOA description is below:

The Walking Fleece competition is an opportunity for the exhibitor to enter a fleece competition where the prime fleece is evaluated while still on the alpaca. **Each fleece is judged individually against the AOA Walking Fleece Judging Scorecard on an absolute basis in contrast to halter judging which is judged on a comparative basis relative to the other alpacas in the class.** Conformation is not assessed. An AOA Walking Fleece Scorecard will be completed for each alpaca in the course of this evaluation/judging process. Placements are made on a highest point basis once all evaluations are completed and tabulated. Rules shall follow the rules for Fleece Shows according to breed, age divisions, Color Groups and class size. Color Championships may be offered if there are sufficient alpacas per breed type in any Basic color group to hold a championship. Oral comments by the Judge may be given during the hands-on evaluation. Judging by an AOA Certified Fleece Judge is required.

Walking Fleece Judging Criteria: The following are the judging criteria and maximum points that may be awarded. The points are recorded in ink on a Walking Fleece Show Scorecard and in pencil on the Judge's Worksheet for both Huacaya and Suri.

◆ HUACAYA POINTS:

Fineness and Handle (20)
Uniformity of Micron (10), Length (5), and Color (5)
Style: Character (Crimp) (10) and Staple Type/Density (5)
Brightness (10)
Absence of guard hair (10)
Absence of impurities/stains/fleece damage (5)

MAXIMUM POINT TOTAL FOR HUACAYAS: 80 points

◆ SURI POINTS:

Fineness and Handle (20)
Uniformity of Micron (10), Length (5), and Color (5)
Style: Lock Structure (10) and Density (5)
Luster (20)
Absence of guard hair (5)
Absence of impurities/stains/fleece damage (5)

MAXIMUM POINT TOTAL FOR SURIS: 85 points

For Huacayas, the minimum walking fleece score to award a blue ribbon is 48. For Suris, the minimum walking fleece score to award a blue ribbon is 51. If none of the total points in a class achieve 48 points or above for Huacayas and 51 points or above for Suris, then the Judge shall start placements with a red ribbon in that class.

Grey fleeces are eligible to receive full points out of 5 for uniformity of color. Multicolor designations and Indefinite color fleeces receive 0 points for uniformity of color and have a total possible point value of 75 for Huacayas and 80 for Suris. In these classes the minimum fleece score required to award a blue ribbon is 45 for Huacayas and 48 for Suris.

How will it work for the Buckeye Alpaca Show?

Judge: Wade Gease
Show Manager: Judy Schroeder

- ◆ We are accepting up to 140 entries
- ◆ Judging will occur on Saturday all day, and Sunday until 12:00 noon
- ◆ There will be a separate ring for this activity located in the center of the show rings, directly in front of show management
- ◆ Animals will be judged by color class
- ◆ The color classes will not be in the same order as halter, but will be in a different order so as to not have animals needing to be in two places at once. While the greys are showing in halter, we will start with fawns in walking fleece.
- ◆ Walking Fleece is a time consuming competition and you may need additional handlers, particularly if you are participating in halter classes.
- ◆ Awards will be presented Sunday afternoon from 1:30 p.m.–2:30 p.m.

Volunteers are needed Saturday and Sunday to assist with gate keeping, ring stewarding and score card scribing. Please contact Mary Reed at Sunnimoor@roadrunner.com or call her at 216/387-3509 to volunteer.

HALTER SHOW AND ENTRY INFORMATION

- ◆ The Halter judge will be Amanda VandenBosch. Amanda will start the show judging the Bred & Owned and Group Production classes, followed by Male Halter classes.
- ◆ An exhibitor's meeting will be held at 7:30 p.m. November 6th, in the show ring for the purpose of updating you on information for the show.
ATTENDANCE IS MANDATORY.
- ◆ We will have two (2) rings going simultaneously. One for Buckeye Alpaca Show, the other for Buckeye Alpaca Fall Fest.
- ◆ Fun Exhibition classes with prize money will be held during our Saturday Meet & Greet from 5-6 p.m.
- ◆ The handler's attire for the Halter classes should be conservative, neat and appropriate for the class. No open toe shoes.
- ◆ All alpacas entered must be registered with the AOA and micro-chipped.
- ◆ All alpacas must be entered in the name of the owner as listed on the AOA registration Certificate. Animals that are being purchased or certificates that have not been transferred must have an "Owner of Record for Show Entry Form" signed by the owner that is listed on the AOA registration certificate. The form can be downloaded from the show division website: www.alpacainfo.com and is also included in this document. An animal may **NOT** be entered in any class more than once. AOA show rules do not permit animals with pending papers to show.
- ◆ Age of alpaca is determined from the date of the first scheduled day of judging — November 7, 2020.
- ◆ Because exhibitors may not know who the other exhibitors are until arrival, entries for the Produce of Dam and Get of Sire classes will be accepted up to the time of the class. If the exhibitor is not the owner of the Dam or Sire, written permission from the owner must be submitted. AOA Registration Certificate for Dam or Sire must be submitted if not entered in the show. A copy of the AOA Registration Certificate for each of the three progeny in Get of Sire and two progeny in Produce of Dam must also be provided to the Show Superintendent, if entering at the show. All offspring must be eligible and entered in their respective Halter Classes. Be aware that any additions will not be listed in the show book.
- ◆ The Exhibitor Rule applies. The owner can enter only three (3) alpacas per breed type (Huacaya or Suri) per gender, per age division, per color designation.
- ◆ **AS AN EXHIBITOR, IT IS YOUR RESPONSIBILITY TO BE ON TIME FOR CLASSES.** Once the class has entered the show ring and the judge and gatesman have agreed that this is the class, late exhibitors may not enter a class.
- ◆ The entry fees are:
 - \$45 for regular halter classes
 - \$40 for Get of Sire (3 alpacas)
 - \$40 for Produce of Dam (2 alpacas)
 - \$40 for Breeders Best (3 alpacas)

- ◆ There is a \$6 AOA recording fee for every animal entered in the show. This fee is included in the entry fee.
- ◆ Any question about color and fiber length will be resolved at the time of check-in. **Please check your animal's color with the AOA color chart and the 2020 AOA Show Division Handbook color definitions before filling out the class entry form or entering on-line.**

SHOW TIPS

- ◆ Do not over groom your alpaca. It disturbs the crimp and lock structure of the fleece. You will do better if you pick the fleece, even though it may not be perfectly clean.
- ◆ Practice with your alpaca. Familiarize having the fleece examined at the shoulder, middle side, and rump. Be prepared to show your alpaca's teeth to the judge.
- ◆ Walk your alpaca around before the class to help the animal relax and loosen up. Before the show begins, walk in the ring to get the alpaca use to the surface.
- ◆ Be sure that your alpaca's halter fits properly. If you are unsure, ask for help. An alpaca supply vendor will be at the show if you need a halter.
- ◆ Do not be afraid to ask for help or advice from your fellow exhibitors; alpaca people are a friendly, helpful bunch.
- ◆ Watch the judge. Smile and have fun!
